

BIOSOLIDS FORUM

Tuesday, November 5th, 2013.
9am to 1pm.

St Leo's Hall

109 S. Main St
Waterbury, VT
[Google MAP](#)

The State of Vermont, Department of Environmental Conservation, will be hosting a forum focused on the future of biosolids regulation and management in Vermont. The general format will include presentations by concerned parties followed by group discussion.

The length and number of presentations will be determined based on response. Presentations must address specific environmental and public health concerns, the economics and logistics of biosolids management, or alternatives for the management of this waste stream.

If you would like to make a presentation during the forum, contact Eamon Twohig, Residuals Management Section, by October 25th at:

Eamon.Twohig@state.vt.us
802-490-6189

A specific agenda will be sent to all attendees closer to the date.
Please RSVP attendance by October 30th
